Every *time* when I *look* in the *mirror*
All these *lines* on my *face* getting *clearer*
The past is *gone*
It went by, like *dusk* to *dawn*
Isn't that the *way*
Everybody's got the dues in life to *pay*
I know nobody knows
Where it *comes* and where it *goes*
I know it's everybody *sin*
You got to lose to *know* how to *win*
Half my life
Is books, written pages
Live and learn from fools and from sages
You know it's true, *oh*
All these feelings come back to *you*

SING
SING
SING

with me
for the year
for the laughter
for the tear

Dream
by:
Aerosmith
On

with me
just for today
maybe *tomorrow*

Dream until your
dreams come true

the good Lord'll take you away

Every time when I look in the mirror
All these lines on my face getting clearer
The past is gone
It went by, like dusk to dawn
Isn't that the way
Everybody's got the dues in life to pay
I know nobody knows
Where it comes and where it goes
I know it's everybody sin
You got to lose to know how to win

Dream

SING **O** n SING

with me
for the year
for the laughter
for the tear

with me
just for today

Half my life
Is books, written pages
Live and learn from fools and
From sages
You know it's true, oh
All these feelings come back to you

*Maybe tomorrow
the good Lord'll
take you away*
